

**FREE Employment & Labor Law Summit Webcast  
Presented by Tina Maiolo, Esq. of Carr Maloney P.C.  
February 16, 2010**

Please join me on February 16 when I present a **free** Webinar on recent changes in employment law. As you may know, employment laws have changed drastically in the last couple years. The only way to avoid unlawful employment practices is to be aware of, and understand, those recent changes. In this Webinar, I will explain the changes in the laws and how to avoid liability for violating their provisions.

In addition, Andrew Kramer, a partner with Jones Day, will join me and present: "2010: A Year of Potential Change." His program will discuss the potential changes and law reforms promised in 2010 and provide an in-depth analysis of new employment laws and regulations to which your companies will need to respond. Mark Spring, a partner with Carlton DiSante & Fruedenberger, will then discuss employment law issues specific to California.

The details of the Webinar are below. Please let me know if you require additional information.
